Third Ward Republican Club

Dear Mr Simpson:

Will you please convey to the members of your club, the sincere thanks of all The Eagles organization for the lovely affair they tendered the club last Tuesday.

The boys have told me what a grand time they had, and I do hope the club enjoyed having them. I am sure things like this make all The Eagles want to be able to play in Newark, and I am sure they will try hard to give you the pennant some day.

Again please accept sincere thanks thanks, from all of us to all of you.

Sincerely Yours
